## Work Experience

### Freelance Strength Coach

Amarillo, Texas

COMPREHENSIVE COACHING SERVICE FOR BOTH IN PERSON AND REMOTE TRAINING

Current

- Practiced strategic tactics on strength programming protocol/design based on latest research and proven methodology.
- Prepared athletes towards their desired goals: a better competition total, and guidance for sport psychology regarding competition anxiety.
- Developed athlete management systems using Excel automation to track long term data, manipulate collected data into competition strategy.

### Sushi House

Amarillo, Texas

STAFF SUSHI CHEF

Nov. 2019 - Current

- Improved sushi dinning services to 10 to 15 minutes per order.
- Developed ingredients manipulation technology to produce high quality products at faster rate.
- Implemented sushi ordered database using excel automation to manipulate product promotion on busiest month of the year.

### Advanced Fresh Concepts Franchise Corp

Amarillo, Texas

HEAD SUSHI CHEF

Jan. 2016 - Jul 2019

- Mentored and trained 3-5 junior chefs every 6 month.
- Prepared sushi packages for lunch and dining services with an average of 120 - 200 per day.
- Collaborated with company executive chef on improving recipes design/manipulation.

## Projects

### Care Amarillo

Amarillo, Texas

EMERGENCY SHELTER SERVICE FINDER SOFTWARE FOR CITY OF AMARILLO

Dec. 2019

- A .Net/C# Windows desktop application that I contributed to which was built for the city of Amarillo, TX as a classroom project.
- The Care Amarillo System enables system users to find information on registered human services as well as emergency shelters.

### Shift Scheduler Software

Amarillo, Texas

SHIFT SCHEDULING SYSTEM SOFTWARE FOR SUSHI HOUSE

Sept. 2020

- Built a cross platform desktop application using ElectronJs and HTML/CSS/JavaScript for the local restaurant, "Sushi House", while I was working there as sushi chef.
- The application saved hours of time for the owner to create shifts for individual servers every single week within a click of a button!

### Attempt Calculator Application

Amarillo, Texas

POWERLIFTING ATTEMPT CALCULATION SOFTWARE FOR IOS/WEB/ANDROID

Mar. 2020

- A free application that is written in native technology for Web, iOS, and Android, also free to download on both platforms.
- Built this in need of a free resource for strength athletes that could not afford coaching services.

## Education & Certificates

### Amarillo College
